

# Shannon Capper

Senior Frontend Developer

shannoncapper@gmail.com | (805) 231-3689 | Sammamish, WA

## WORK EXPERIENCE

### TEXTIO

Senior Software Engineer | Frontend/Full-Stack | Feb 2019 - Present

- ▶ Lead engineer for the development and launch of the Textio Outlook extension, including collaborating with Product/Design, designing the plugin architecture, leading a team of engineers to build the plugin, project management, and assisting customers with rollout
- ▶ Founding member and lead engineer for the full-stack development of a new collaborative Textio product
- ▶ Core developer in rewriting the Textio web app to support mobile
- ▶ Migrated the Textio blog from Medium to a self-hosted solution

Software Engineer | Frontend | Jun 2017 - Feb 2019

- ▶ Core developer of Textio Chrome extension from early development through launch, including implementing a solution for drawing in-canvas highlights in 3rd party editors
- ▶ Introduced client-side routing to the single-page Textio web application, including converting legacy portions of the app from jQuery to React
- ▶ Assisted in the migration of the team's various frontend codebases into a monorepo and coordinated converting a large portion of the codebase to TS

### FREELANCE

Graphic Artist | Jan 2011 - Jun 2017

- ▶ Designed business logos, tattoos, and posters for various businesses and individuals using Adobe Photoshop and Illustrator
